

Good Bite App

A screenshot of a web browser showing a local development environment for a food waste rescue platform. The page has a dark green header bar with the title 'Good Bite' and navigation links for 'Home', 'Features', 'Products', 'Register', and 'Login'. Below the header is a large banner image featuring various bowls of food and fresh ingredients like cilantro and cashews. The main headline reads 'Fight Food Waste, Save Delicious Meals'. A subtext message encourages users to 'Join the movement to rescue surplus food from local restaurants and bakeries at unbeatable prices.' A prominent green button labeled 'Discover Surplus Deals' is centered below the text. The browser's address bar shows 'localhost'.
