

# Good Bite App

The screenshot shows a web browser window with the URL "localhost" in the address bar. The page has a dark green header with the "Good Bite" logo, "Home", "Products", "Register", and "Login" buttons. Below the header is a large image of various surplus food items like rice, vegetables, and nuts. A central call-to-action section features the text "Fight Food Waste, Save Delicious Meals" and a subtext "Join the movement to rescue surplus food from local restaurants and bakeries at unbeatable prices." A green button labeled "Discover Surplus Deals" is prominently displayed. The bottom of the page shows another image of food.

# Current status of the application

- Frontend and Backend done
- 2 Vulnerability Audits done
- Problems of the Audit solved

Our github repository status.

<https://github.com/sissamcorreia/AS-project>

The screenshot shows a web browser window with a dark header bar. The header contains a back arrow, a search bar with the placeholder 'Search', a magnifying glass icon, and a user profile icon. Below the header is a navigation bar with links for 'Dashboard', 'Home', 'Products', 'Logout', and 'Phone'.

A message 'SISSACUSTOMER is logged in!' is displayed above a large promotional banner. The banner features a blurred image of various food items and the text 'Fight Food Waste, Save Delicious Meals'. Below the banner, a descriptive paragraph reads: 'Join the movement to rescue surplus food from local restaurants and kitchens at unbeatable prices.' A green button labeled 'Discover Surplus Dishes' is positioned at the bottom of the banner.

The screenshot shows a web browser window with a dark green header bar. On the left of the header is a user icon with the text "Seller view". To the right of the user icon are three small icons: a magnifying glass, a gear, and a plus sign. The main content area has a white background. At the top, there is a dark green navigation bar with the text "Dashboard" and "Logout" on the right. Below this, a large banner features the text "URISELLER is logged in!" in white. The banner has a blurred image of various food items in containers in the background. Below the banner, the text "Fight Food Waste, Save Delicious Meals" is displayed in a large, bold, black font. Underneath this, smaller text reads: "Join the movement to reduce surplus food from local restaurants and bakeries at unbeatable prices." At the bottom of the page is a dark green button with the text "Discover Surplus Deals" in white.

# Profile view

<https://youtu.be/Vyw66VKGPKA>

The screenshot shows a web browser window with a dark header bar containing the text "Cloud CRM" and "Logout Profile". Below the header is a navigation bar with links for "Dashboard", "Home", and "Products". The main content area has a title "Profile of sissaCustomer". In the center is a placeholder icon for a user profile picture. To the left of the icon is a list of profile details:

- Name: Cecilia Maria
- Surname: Rodriguez Correa
- Email: sissacustomer@yourdomain.com
- Phone number: -
- Birthday: -
- Date joined: Mon, 16. 2020, 2:52 p.m.

At the bottom right of the main content area is a green "Edit" button. At the very bottom of the page, there is a footer message: "Contact us if you want to be a reseller - sales@yourdomain.com".

The screenshot shows a web browser window with the Good Day website loaded. The top navigation bar includes links for 'Good Day', 'HOME', 'SERVICES', 'PRODUCTS', 'LOGOUT', and 'PHONE'. A banner at the top displays the message 'ADMIN is logged in!'. Below the banner is a large, dark rectangular area containing a collage of various food items like fruits and vegetables. The main headline reads 'Fight Food Waste, Save Delicious Meals'. Below the headline is a subtext: 'Join the movement to rescue surplus food from local restaurants and kitchens at unbeatable prices.' A green button labeled 'Discover Business Edition' is visible. The bottom of the page features a decorative footer banner with a repeating pattern of food items.

# What is still missing for the final version

- MFA (logic implemented, design work in progress)
- Unifying the frontend
- Create self-signed certificate
- Final audit for known vulnerabilities on dependencies (pip-audit) and in the source code (bandit)

```
[notice] A new release of pip is available: 25.2 -> 25.3
[notice] To update, run: python.exe -m pip install --upgrade pip
PS C:\WINDOWS\system32> pip-audit --version
pip-audit 2.9.0
PS C:\WINDOWS\system32> python --version
Python 3.13.9
PS C:\WINDOWS\system32> cd C:\Users\Irene\AS-project
PS C:\Users\Irene\AS-project> pip-audit -r requirements.txt
No known vulnerabilities found
PS C:\Users\Irene\AS-project> pip-audit -r requirements.txt -f json -o auditoria.json
No known vulnerabilities found
PS C:\Users\Irene\AS-project>
```

Example of one audit done with pip-audit.
